Subject: Referee Startup Costs

Dear New Referee:

Thank you for your interest in and commitment to T-CYSA soccer and to improving the quality of refereeing at Association games. This letter is to inform you of an opportunity you have to be supported by the Association as you begin practicing the art of refereeing. T-CYSA policy is to encourage volunteer participation as referees for its recreational club programs. As you are aware becoming a referee involves some startup costs for registration and uniform items. The following outlines our reimbursement policy:

Recreational Team Referees (U11 and Under)

For those recent graduates of the Grade 8 or Grade 9 Clinics that serve as a volunteer referee for a T-CYSA Recreational team those costs will be paid by the Association. Specifically, the Association will pay up to \$42.50 in expenses for startup referee equipment such as jersey, shorts, whistle, and socks.

T-CYSA will also reimburse you the cost for your first year's registration as a referee with USSF.

Three Rivers Club Pool Referees (U12 and over)

T-CYSA will reimburse you the cost for your first year's registration as a referee with USSF provided you agree to serve as a volunteer referee for a T-CYSA recreational team.

To claim these expenses please complete the informational items below, including the signature of the T-CYSA recreational team coach whose games you have agreed to referee as a volunteer, and forward this sheet to me together with appropriate supporting receipts documenting your expenditures.

Again, thank you for your participation in the T-CYSA Referee program. I hope your experiences are rewarding.

Sincerely,

Michael T. Bunker
T-CYSA Head Referee
